FCC Pair Seeks Bank Scholarships

By VIVIAN JOHNSON
Rampage Staff Reporter

Michael McGinnis, a sophomore business administration major, and Shirley Munson, a sophomore liberal arts major, are the semi-finalists for the Bank of America \$1,000 scholarships from Fresno City College.

Miss Doris Deakins, the dean of women, said McGinnis and Miss Munson will compete with other winners from Area 5 (Allan Hancock Junior College, Santa Maria; College of the Sequoias, Visalia; Reedley College, Reedley; Bakersfield College, Bakersfield; FCC, Fresno; Porterville College, Porterville; and Cuesta College, San Luis Obispo).

Two contestants from each college will meet at Santa Maria on Mar. 19. The two winners from this meeting will receive trophies.

On Apr. 4, final winners will be selected in Bakersfield for the California Junior College Man and Woman of the Year Bank of America Award. The two state finalists (chosen from eight areas) will receive \$1,000 each.

The qualifications for entering the contest included completion of 30 or more units with a B average and enrollment leading to an associate in arts or science degree. Evidence of service rendered to the college through participation in student organizations and participation in community service are the main criteria.

Each candidate had to write a statement of not more than 150 words indicating aims and objectives upon completion of formal education. The final step in entering the contest was a personal appearance before a panel of judges.

Beginning May 14

Selective Service Tests To Determine Deferments

By PAUL SULLIVAN
Rampage Managing Editor

In scholastic circles, tests tell all and starting May 14 the same will be true for the Selective Service.

FCC students who desire to take the test must mail applications no later than Apr. 23 to the Science Research Associates in Chicago.

The test is open to all those in college, whether undergraduate or graduate, and to high school seniors graduating this year.

Student Deferment

A local Fresno board representa-

tive said that the test is optional for those that wish to have this type of information available for the local board to evaluate in determining a student's deferment.

Students are urged to take the test as it will give the local board more criteria in determining the more promising students.

The test will be given in about 1200 locations throughout the country and a student may take it only once. It will consist of about 150 items and be similar to a general aptitude test.

Skills And Reasoning

About 50 per cent of the test will relate to verbal and linguistic skills and the other 50 per cent to quantitative reasoning.

Formal announcement of the test will be made by the Selective Service on Apr. 1 and the FCC counseling center will have the information shortly thereafter. Information may also be obtained at the local Fresno draft board and at post office.

US Navy Team Now On Campus

A United States Navy information team, from the Alameda Naval Air Station, is on campus today explaining the naval aviation officer programs.

The team is headed by Lt. Cmdr. Robert May.

Training as a pilot or in navigation is available for college men between the ages of 17 and 27½.

Other requirements are 20/20 to 20/40 vision and a minimum grade point average of 2.0.

Further information can also be obtained by writing Naval Aviation Officer Programs, Naval Air Station, Alameda, California, or by phoning 415-522-6600.

FRESNO, CALIFORNIA, THURSDAY, MARCH 3, 1966

NUMBER 17

FCC Students Take Honors At State Meet

Dennis Netzley, a sophomore marketing major, is the new central region vice president of the California state association of Distributive Education Clubs of America.

Netzley was elected to the position at the eighth annual DECA State Convention, Feb. 26, in Long Beach.

Other FCC business students attending the convention were Spencer Poore, Terri-Lynn Ryan, Gary Steinhardt and Cynthia Stephanian. Dr. Gilbert Peart, FCC coordinator of merchandising field experience, and Fred Carvell, a FCC business division instructor, accompanied the group at the Long Beach convention.

Steinhardt, Netzley and Poore, all competing in the Management Decision-Making contest, placed first, second and an honorable mention respectively. The contest was based on how well each participant did in developing a sales campaign for certain name brand products.

Steinhardt's contest victory, along with Netzley's nomination, makes both students eligible to attend the National Leadership Convention in Chicago, Apr. 28.

Student Council Adopts Proposal To Aid Students

The Fresno City College Student Council has adopted the resolution that two per cent of the proposed spring budget will be used for student financial aid.

Merle Martin, dean of students, said that it will be up to a student committee to decide how the proposed \$1,195.92 fund will be distributed.

Committee To Decide

"The money may be distributed in many small scholarships or in a few large ones; that will be for the committee to decide," Martin said.

Martin also stated that if the committee does decide to present the fund in form of scholarships the qualifications for receiving a scholarship would probably be the same as that for present scholarships.

Competitive Basis

Presently under the general qualifications for receiving a scholarship at FCC awards are made on a competitive basis. Consideration is given in the applicant's scholastic record, financial need, character and promise of future success.

Students who receive awards on the basis of two semesters will be required to maintain above average grades in the first semester in order to receive second semester awards.

Applications Are Available

Applications to apply for an FCC scholarship may be obtained from high school principals or counselors for high school seniors who wish to apply.

They may also be obtained at the Counseling Center in Administration 118 at FCC.

Dr. Bradshaw Foresees . . .

No Quarter System Within Near Future

By TED HILLIARD
Rampage Staff Reporter

The recent trend in California colleges to changing from the semester to the quarter system of class enrollment will not affect the State Center Junior College District.

At least not in the near future.

According to Dr. Archie Bradshaw, president of FCC, the change will not come to this school until after Fresno State College changes:

"Fresno State, where most of our transfer students go," said Dr. Bradshaw, "may not change at all. Even if they do, it will be several years from now."

1974

Dr. Harry Jones, associate dean of students at FSC, stated that the changeover might not occur there until 1974.

"There are a lot of problems to be solved first," Dr. Jones said. "This matter is by no means simple."

He pointed out the problems of reorganizing class schedules and credit counts. He also speculated that the quarter system would greatly increase the paper work of the college, thus calling for an increase in office help.

"Then there is the question of matriculation," added Dr. Jones. "For instance, should we admit students three or four times a year?"

Student Reaction

Student reaction to the quarter system would be diversified.

Dr. Jones commented that he had attended Stanford University under the quarter system, where it was disliked by students of the humanities but favored by science students.

A joint study is presently under

way between FSC and the State Center Junior College District to view the problems which might arise from the changeover.

Dr. Paul Lawrence, associate state superintendent of public instruction, explained the impact of the change of universities and state colleges upon junior colleges.

Dr. Lawrence noted that a student finishing his last semester in a junior college in January could not enter a university or state college with a winter quarter starting in December.

Benefit Dance Set By AMS

The Associated Men Students service club will sponsor a noon dance tomorrow in the cafeteria to benefit the United Cerebral Palsy Fresno drive.

Michael McGinnis, AMS commissioner of publicity, said that there will be no admission charge but that "a donation will be appreciated."

McGinnis said the purpose of the dance is to raise money for the Fresno UCP drive.

The teensmen, a six member campus band, will provide the music for the dance.

Cleland Sees Higher College Requirements

By DENNIS MCCARTHY
Rampage Editor

Will Fresno City College tighten its entrance requirements? Richard L. Cleland, for one, feels it is inevitable — but not within the near future.

In a recent Rampage interview, the FCC dean of men, predicted it will be some time before such a move is taken.

"As long as there are men like

Mr. White (State Center Sup. Stuart M. White) around," Cleland said, "men who feel strongly that the junior college system should be open to the general public, you probably will not see any trend toward tougher entrance requirements within the next five or 10 years."

Likes Current Policy

A graduate of Modesto Junior College, Cleland has high regards for the current policy of the junior college system.

"Today's junior colleges," he said, "being as free of restrictions as they are, give even the individual who does not have a high school diploma the chance to prove he has the ability to do college work. And some non high school graduates are successful in college."

Enrollment Increasing

But Cleland believes the days of the free and open junior college policy are numbered.

"If junior college enrollment continues to climb as it has in the past," he said, "future administrators will probably have to adopt

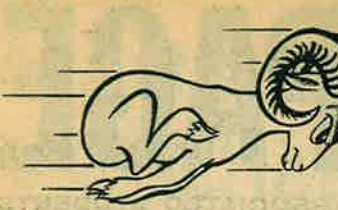

RICHARD CLELAND

some tighter entrance requirements."

Cleland added that it is not inconceivable that tuition fees or higher grade averages or both will be required of future junior college enrollees.

"Right now," he reiterated, "the policy is to keep junior college education open."

Council Begins Work—Should Be Given Chance

The election, re-election and the run off election are all over, and the time has arrived for student government to begin its semester work.

At Tuesday's council meeting the new Student Council made a good beginning.

The election was controversial as were the candidates, and for many of us the student we voted for wasn't elected.

Whether that is the case or not, before we criticize let's see what sort of work our newly elected officers do.

Let's work with the new council as much as possible. Should serious problems arise, the constitution provides means for correcting them.

Most of all, before we criticize, let's give the new council a chance.

Paul Sullivan, Jr.
Managing Editor

Opinion Of Students Revealed By Actions

Participation in FCC activities has always been known to be poor. This problem remains to be solved.

Perhaps one of the basic reasons for this attitude is that a majority of students think of FCC as "rinky-dink." Why? What makes the oldest junior college in California this way?

Our faculty? No. Many of our instructors have been to Europe on Fulbright fellowships.

Buildings? Not really. Our cafeteria, gym and technical and industrial buildings are all under ten years of age. The other buildings are usable, and if you are not fond of 1914 Romanesque, you can look forward to the expansion program due to begin in the near future.

Academic reputation? No. As far north as the Bay Area, and perhaps farther, FCC is known as one of the finest schools in the junior college system.

Impractical? No. The junior college is now recognized as one of the first steps in college.

Cost? No. Students pay a minimum student body card fee entitling them to various school functions and the use of school facilities.

This scornful attitude is, by the above facts, unfounded.

The general consensus of the student body shows in its actions. Why else did the Bank of America scholarships almost fail? What happened to the Glamour contest? What happened to the performance of the pep squad at most of the basketball games? Of the three events mentioned, two were state and nationwide. When activities encompassing California, as well as the United States, are met with our infamous "rinky-dink" attitude, one can imagine how similar events will be met when students graduate.

To begin coping with this problem student must start by acting as if their reasons for being here amounted to something. Only then will the participation problem of our "rinky-dink" school subside.

Fall Cheerleader, Two Pep Girls Chosen By Faculty, Pep Squad, Vice President

By LINDA GARRETT

FCC now has one new cheerleader and two new pep girls for the fall semester. Connie Brooks is the new cheerleader and Phyllis Clifton and Dorothy Escobedo are the newly chosen pep girls.

Judging the cheerleaders and pep girls were two faculty members, Mrs. Sara Dougherty and Mrs. Georgene Wiedenhoefer.

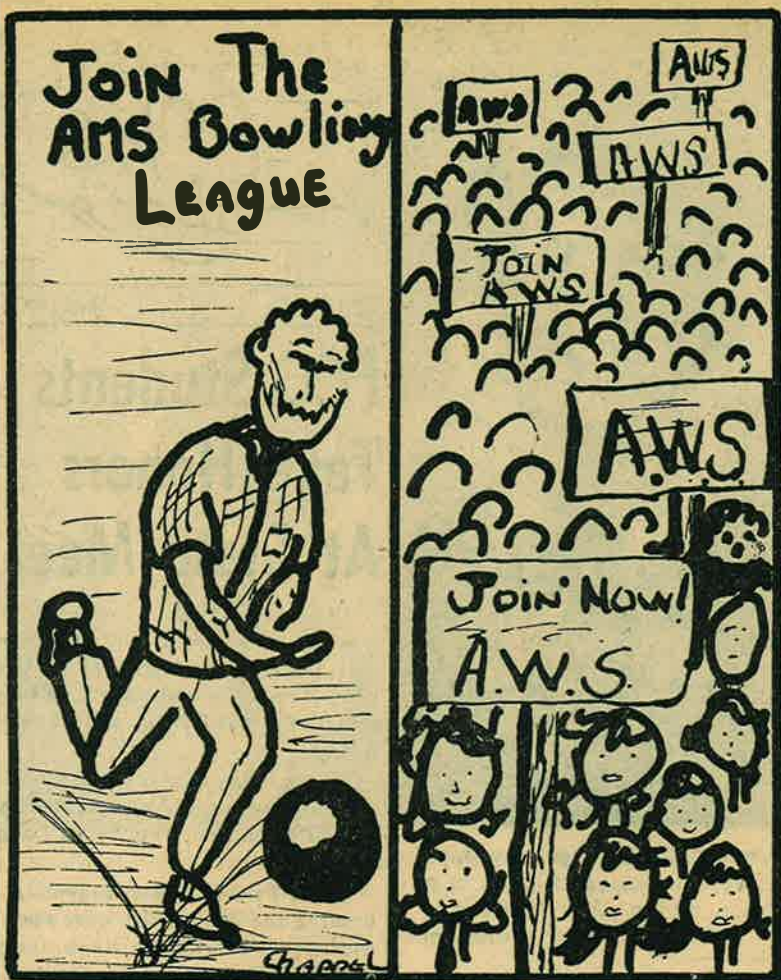

The student judges were former head cheerleader Gary McCurry, pep girl Jennette Orndoff and student body Vice President Bart Turner.

Mrs. Wiedenhoefer explained that all of the girls must maintain a 2.0 grade point average and must carry at least 10 1/2 units.

Returning pep girls are Miss Orndoff and Wylene Powers. Miss Orndoff will be head pep girl next fall.

If all the girls keep their grades up, Mrs. Wiedenhoefer said they will be sent to Redlands or Squaw Valley to cheerleader camp. In the past FCC cheerleaders have gained recognition at Redlands.

Next fall three more cheerleaders, four more pep girls and three more majorettes will be needed. The only returning majorette will be Marlene Martin, who will be head majorette.

'Asian' Flu From Taiwan Hits Fresno City College

It is not over—the flu that is.

Two million people are expected to catch it in the next four or five weeks.

In a survey taken by Richard L. Cleland, associate dean of students, 16.4 per cent of the FCC students were absent from the day classes last Feb. 23.

Of the 900 students surveyed in the evening classes, 28 per cent were absent.

A survey Feb. 24 showed that 18.2 per cent were absent with influenza.

"From the reports of the Fresno County Health Department," said Cleland, "one would think that the absence rate would have fallen by Thursday."

Twenty-five faculty members were absent because of influenza.

The mathematics, science and the letter and arts divisions each reported five instructors absent. The business division had four absent.

Eleven instructors from the technical and industrial division also had the flu.

"At a time when upper respiratory ailments are rising," said Mrs. Margaret McBride, FCC college nurse, "All students should take better care of themselves. I sent one student home for the second time."

Mrs. McBride also emphasized that students who are absent three days should call her at the Health Center.

She in turn will notify the instructors of the student's absence.

ELEVEN STUDENTS MAKE STRAIGHT A's—DEAN'S LIST PUBLISHED FOR FALL

Eleven full-time students made straight A's during the fall semester of 1965.

They are William Araujo, Linda Christy, Jeffery Emrich, Harvey Hanoian, D. Broadus Keele, Jr., Frank Kong, Marilyn McClain, Thelma Reynolds, Ralph Seely, J. C. Eugene Voth and Marie Weaver.

The Dean's List consists of 157 students.

Qualifications

To be on the Dean's List, a student must have taken at least 12 units, including physical education. He is also required to have a minimum grade point average of 3.3 with no grade lower than C.

In addition to those on the Dean's List, 132 students are also eligible to join Alpha Gamma Sigma, the state junior college honor society. AGS eligibility demands a 3.0 over-all grade average and a course load of at least 12 units, excluding physical education.

Eligibility

In the fall semester of 1964 there were only 100 students on the Dean's List and 141 students eligible for AGS, compared to this semester's 289 eligible students for AGS.

The students on the Dean's List are as follows:

Eleanor Adame, James Adams, Felix Alston, Lynette Anderson, William Araujo, Thomas Arriet, George Azema, Phillip Barnett, Kermanshahi Bayati, Joan Beebe, Chris Bordagaray, Alfred Borjas, Madge Bridges, Charles Brough, Kenneth Campbell, Venie Cargill, Linda Christy, Veda Chute, Meriam Clark, James Cobb, Carolyn Cregger.

D's, F's And G's

N. R. Davis, Ronald Davis, Peter Dileo, Bradford Ditton, Alan Dorfmeier, W. Gregory Doyle, Deanna Duerksen, Sandra Dulcich, Jeffrey Emrich, Virginia Espinoza, Janet Fager, Caroline Farino, Beverly Fearnside, Donald Forrester, Louise Frame, Ronald Franklin, Donna Fremming, Sue Fulmore, Jimmy Gaede, Linda Gavello, May Gee.

S. Scott Glaspey, Dorothy Goss, Beverly Greene, Thomas Gross, Jimmie Guinn, Eddie Gunner, Gary Gustin, Glenn Hamilton, Harvey Hanoian, Janis Hansen, Curt Hayden, Susan Heinemann, Mary Ann Hernandez, Kenneth Hewitt, Rex Hiatt, Gary Hippenstiel, Sharon Hornbeck, Lynn Irons, Linda Irvin, Lester Johnson, John Kamm.

D. Broadus Keele, Jr., Sandra Kerby, Winifred Kinler, Sue Kondo, Frank Kong, Gerald Lakeman, Patricia Lapointe, Francis Lau, Caroline Lewis, Linda Luther, Mar-

ilyn McClain, Jim McDaniel, Robert McDonough, Harold McGaha, Harry Maloney, Jr., Linda Manes, Frank Manning, Milton May, Dale Mesple, Coreen Metzger, Norman Millard, Marsha Minkler, Brenda Montgomery, Thomas Moore, James Moser, Mary Mosher, Sylvia Myers, Richard Nelson, Harold Nielsen, Midori Mishiya.

N's, O's And P's

Gayle Normoyle, Steven Noxon, Samuel Obwald, Danny Ohama, Stanley Oka, Mildred Ollivier, Thomas Opperman, Elena Ortiz, Kenneth Papi, Sandra Patterson, Gloria Pavelski, Clifford Pedersen, Douglas Penland, Lawrence Pepper, Patrick Peterson, Ron Peterson, Cecil Pistacchio, Vivian Potts, J. Walter Prather, Linda Privett.

Walter Puhn, Clinton Rempel, Stephanie Renna, Ana Reyna, Thelma Reynolds, Sara Rice, Paul Richards, Michael Robinson, Paul Robinson, Charles Roesbery, Johnnie Rosentreter, Ronald Rowland, Judith Russell, Diana Samarin, Eddie Schaeffer, Nancy Scheidt, James Schellenberg, Jean Schober, Carolyn Schroeder, Ralph Seely.

Barry Shields, Richard Shimoda, Jeanne Skiles, Kenneth Spangler, Robert Stearns, Vaughn Stratford, Erik Stromberg, Wendy Taul, Jan Threlkeld, Thomas Tucker, Susan Trupenen, Edward Vance, Judith Van Gundy.

Letter To The Editor

Stand By Your Vote

Students, in our past election there was a victory! We have a slate of new officers to carry through our student government during this spring semester. It is my opinion that these new officers should be backed by the whole student body. You were the ones to vote and the outcome was your decision. If you had a candidate you were backing and did not vote for him or her, because of trite interruptions, then it is time for you to check your premises and convictions.

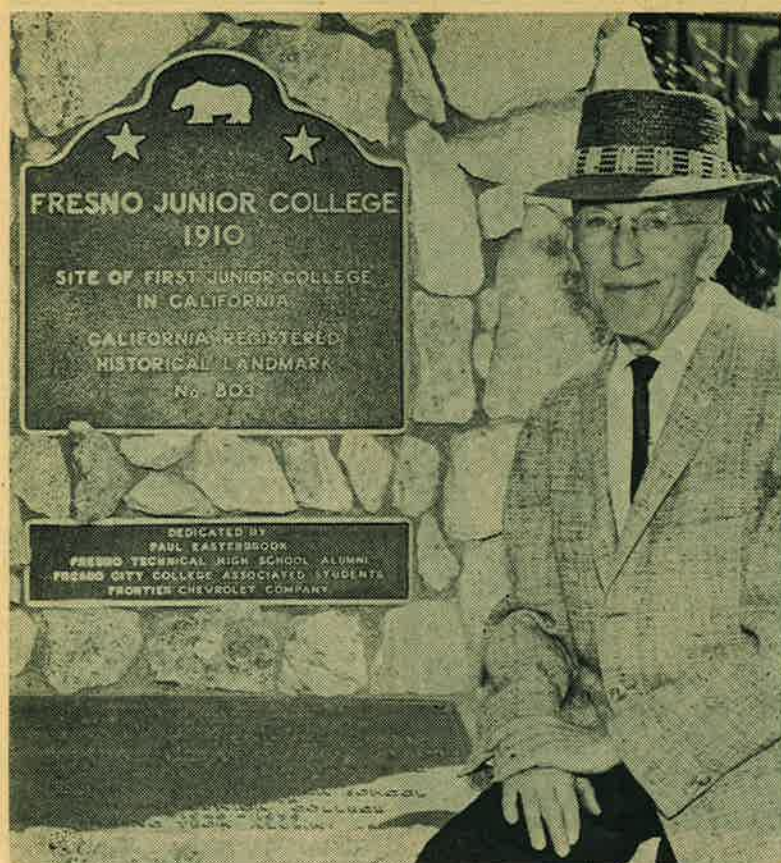

How important are your convictions? Are they important enough to back the candidate of your choice in an election, or could it be you have no convictions and could care less?

Our campus is a beginning. If we as students vote with conviction and responsibility on this campus, then it stands to reason we will do so on the state and national level.

When you vote in the future remember issues are as important as personalities and good leadership is the most important quality of all. If, in the future, there is no one you wish to vote for, then run for office, letting people know what you stand for in student government on this campus.

Most of all be aware of the need of ethical competition. Competition that is not colored with dislike and prejudice as its main object of attention.

Let us all remember the institution that these new officers must coordinate and make function for the best of Fresno City College. They need your help and support. Those who have won and those who are the incumbents should remember that they now hold an office not only to improve themselves but to improve student government on our campus. I hope that each newly elected officer will remember this and in so doing will serve themselves and our campus with the right goals in mind and use the right means to accomplish these goals. **Suzie Locke**

CLYDE L. SMITH, a member of the first class of FCC, sits beside a plaque commemorating Fresno City College as the oldest junior college in California. Smith, a retired electrical wireman, is still attending classes.

'Exercise Your Brain' Says Former Student Of 1910

"Just like the muscles of your arm, you have to exercise your brain to keep it alert."

This point of view is not held by an academic philosopher or a physically inclined educator but by 82-year-old Clyde L. Smith, one of the original 23 students in the first FCC classes of 1910.

Smith was formerly active in the electrical profession from 1904 until 1965 as a wireman, Pacific Gas & Electric power salesman and later electrical inspector. Since 1962, he has attended Wednesday night Code & Regulations classes instructed by Charles Pierce.

"Rapidly changing conditions

of electrical installation and inspection standards require continual study to keep up to date," Smith said.

Smith recalled that junior college classes were first conducted in the south wing of the old Fresno High School, which stood at Tuolumne and O Streets.

"We had the same teachers and classrooms that the high school did but different textbooks," he explained.

Smith possesses a field book from a surveying class he took in the fall of 1910. The first entry, for Oct. 3, lists Smith as "ax-man" and "head chain-man."

"We used to walk up to three miles once a week to get to our surveying problems," he said.

Smith never graduated from FCC but went on to Stanford in 1911 for a semester, later dropping out to marry Bessie Mugg.

Interested in bowling since working as a pin boy in 1898, Smith averages 14 hours a week with the American Association of Retired Parsons, the Pacific Gas & Electric Power Club and the Elks' home and traveling teams.

Smith is secretary of the Central California Chapter of the International Association of Electrical Inspectors and writes a bi-monthly column on current inspecting practices for the organization's magazine.

Drive Set For AWS Members

The Associated Women Students, a social service organization, is now conducting its spring semester membership drive.

Mrs. Sara Dougherty, sponsor of AWS, urges all interested women to attend one of their two meetings today. The meetings will be held in the Social Hall at noon and 1 PM. Those interested should bring a sack lunch, coffee will be provided.

Elect Officers

During the noon meeting officers will be elected. A recap of the first meeting will be given at 1 PM for those who were unable to attend at noon because of classes.

The AWS calendar of events includes a tea Mar. 9. At this time officers will be installed and new members presented. The event will be held in Committee Rooms A and B of the cafeteria from 3-5 PM.

A tea and fashion show are planned for later in the semester. The date has not been set.

Spring Formal

In cooperation with Associated Men Students, AWS will present the Spring Formal, May 13, in the Memorial Auditorium. Harry James and his orchestra will provide the music.

In urging women to join Mrs. Dougherty commented, "There are many women who would like to join an organization but feel it is too late in the year or that they are not needed. It is a shame that an organization which invites all women student body members does not have a solid, strong functioning membership."

Munson Wins Secretary Post

By a seven vote margin, 118-111, Shirley Munson defeated Suzanne Moxley for secretary of the student body in Friday's election.

The run-off election, a historic third in one semester at Fresno City College, was ordered by the election committee.

Decision

"It was decided by the committee that since the constitution does not stipulate whether the secretary shall be elected by plurality or majority vote, a new election would be held, contingent on a majority vote." Student Body President John Porter said.

Previously, Miss Moxley won the secretarial post over Miss Munson and Linda Cox in the Feb. 16 election under the plurality system.

Commissioners

The new student body president has made the following tentative appointments to commissioner posts: athletics, Richard Machado; conference, Jim Shipman; elections, Tim Hensliet; publicity, Janice Mann; international relations, Diane Partain and oral arts, Tim Mancini.

The post of scholarships and student welfare are yet to be appointed.

President Points To 'Apathy' Of Students

John Porter, new associated student body president, plans new programs for FCC this semester.

"There is a need for more student participation in school activities and a need to get rid of student apathy," the president said.

In the last student body election, the campaigners worked much harder than voter turnout reflected. Last week in a run-off for ASB secretary, only 229 students voted, said Porter.

Inform Students

"I don't know if the students don't care or if they just don't know," Porter said. He said there is a need to get more information to the students.

"You can't tell the students on Monday that a dance is being held the next Saturday night and expect them to come if they don't hear anymore about it," he said.

The president would also like to see the student clubs do more for the student body as a whole.

Government Changes

In student government changes, he said there has been a decrease

JOHN PORTER

in the number of commissioners, but he will try to increase the number of representatives so that the students will have more voice in student government.

Club News

Groups Plan Activities

By NELLIE BONILLA

Today is the last day to join the AMS bowling league. All interested students should meet at Mid-state Bowl at 4 PM.

An intramural basketball meet will be sponsored by AMS. Today and tomorrow are the last days to sign up in the foyer of the Cafeteria from noon to 1 PM.

People-to-People Club will meet tonight at 7:30 in Cafeteria Committee Room A.

Gene De La Torre, graduate student at Fresno State College, will speak and show pictures to illustrate his talk. He recently returned from 29 months in the Dominican Republic with the Peace Corps and the United States Agency for International Development.

Philip McElroy, club sponsor, urges all students to attend.

Phi Beta Lambda

Phi Beta Lambda, the business club, and the Marketing Club held their annual Spring Fashion Show this morning at 11 in the FCC Auditorium.

The show was co-sponsored by the Men and Boys' Fashion Guild and a local department store.

Students who participated in-

cluded Carol Andrews, Nancy Brunner, Carolyn Kuehn, Marion Osborn, Laura Phillips, La Creta Poyer, Kathy Skintaku, Betty Jo Swartz, Linda Wood and Kathy Yager.

Other participants were Darryll Kahn, Mike McGinnis, Wayne Nash, Jim Shipman, Barton Turner and Ron Winter.

Phi Ro Nu

Phi Rho Nu, the nurses club, elected new officers Tuesday. Linda Luther was elected president, Ana Reyna, vice president, Karen Lyanch, secretary and Sue Reichert, treasurer.

Matmen Capture VC Championship

Having won the Valley Conference wrestling championship for the second straight year, Fresno City College matmen are preparing for the Regional Tournament slated for Saturday at Modesto Junior College.

Eleven men earned the right to represent FCC by placing in the top four positions in the Valley Conference tourney held last Saturday at Sacramento City College.

Rams Clinch Title
The Rams placed three men in the championship circle when Fred Contreras, 115; Al Katuin, 152; and Frank Kerby, 167, won first place honors in their divisions.

The Rams also took four second places, one third and three fourth places.

The Rams clinched the VC championship when they defeated Modesto Junior College last Saturday in the Modesto Gym.

Results Are Released
Results of the Modesto match:
115—Louis Morelli, FCC, pinned Harvey DeLa Torre second round.
123—Fred Contreras, FCC, won by forfeit.
130—George Peverill, FCC, pinned Al Fernandez third round.
137—Phil Wells, FCC, dec. Steve Klein 5-0.
145—Lonnie Patterson, FCC, pinned John Perrault third round.
152—Al Katuin, FCC, dec. Tim Shaw 8-1.
160—Al Binatina, FCC, dec. Fred Harris 9-1.
167—Tom Opperman, FCC, dec. Ted Fitzpatrick 3-1.
177—Frank Kerby, FCC, pinned John Bulgheroni first round.
191—Roger McClaughry, FCC, dec. Dan Souza 6-0.
Heavyweight—Tony Badzioch, Modesto, pinned Bill Arthur third round.

ACHIEVEMENT AND SATISFACTION

Personal satisfaction comes from many sources. One of the greatest is individual achievement.

Working in a field that offers opportunities for developing your own abilities is certainly rewarding. For many men, this has come through a career in life insurance sales and sales management.

Provident Mutual starts training college men while they're still students, giving them a chance to earn while they learn. Our Campus Internship Program numbers among its graduates many men who are currently enjoying successful careers with the Company in sales, supervisory, and management positions.

We welcome the chance to tell you more.

Racketeers Face Busy Weekend

Fresno City College netmen will challenge the first of two out of town teams this weekend when they travel to Hayward Friday for a match against Chabot College at 2:30 PM.

Saturday the Rams will journey to Concord for a 3 PM encounter with Diablo Valley. Both matches are non league contests.

With the season just starting, Coach Dan Ozier wouldn't make any predictions, but he did express optimism.

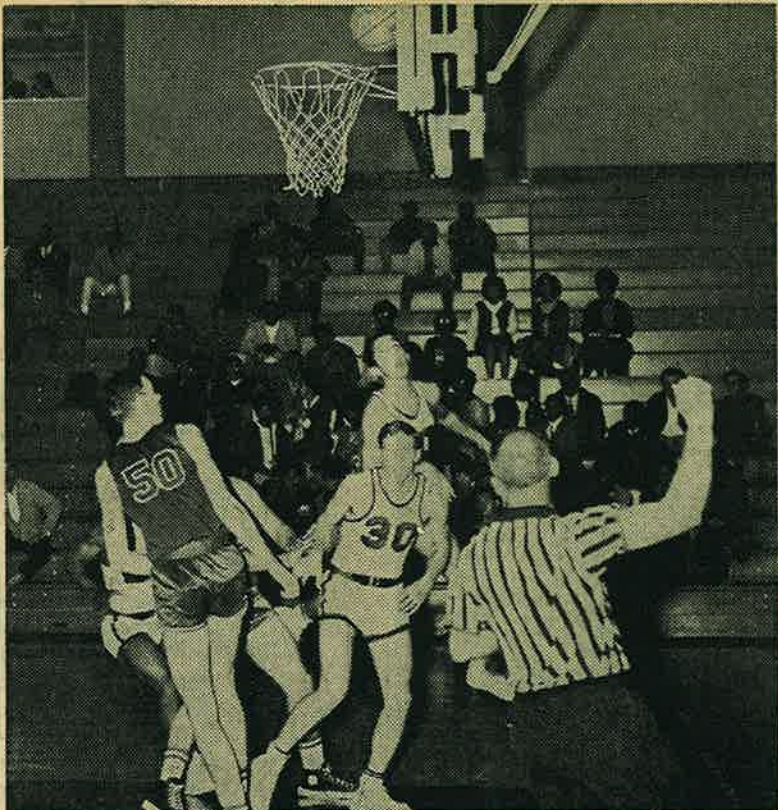

"In our matches to date we have been very successful," he said. "I think we will do very well in these matches. We have a good team, and all the players show a lot of interest."

Among the individual standouts on the Ram team, Ozier said Gary Hippensteil and Rick Fiori showed good promise in their early season games.

The starting lineup for FCC will have Hippensteil leading off the first men's singles; Fiori, second men's singles; John Grey, third men's singles; Doug Banta, fourth men's singles; and Jack Samuelian, fifth men's singles.

The Ram netmen will play their first Valley Conference match Mar. 11 when they meet Modesto Junior College on the FCC courts.

"I think the league will be real strong this year," stated Ozier. "All the teams should have well balanced squads."

MOVING UNDER the basket for a rebound, Hart Polk, Lloyd Sanders and Ken Delpit, left to right, move fast in their last game of the season.

Hoop Season Ends; Rams Finish Second

By HOWARD SAIKI

The Ram basketball team under freshman Coach John Toomasian climaxed the 1965-66 season with a second place finish in the Valley Conference pennant race.

Fresno City College clinched the runner up spot when it won a cliffhanger over Modesto Junior College last Saturday 80-77.

The Rams, primarily a freshman-dominated team, compiled a 7-3 VC won-loss record and an over-all 18-13 record.

Among the highlights of the season, spectators saw the Rams (1) score the most points in the points against Hartnell College, Bakersfield Tournament — 102 (2) Finish second in the Bakersfield Tournament, (3) hold San Joaquin Delta Junior College un-

der 100 points in both FCC-SJD meetings and (4) finish second in the VC race.

Although the Rams lost this year's championship, they should be a major contender in next year's pennant race with three of their starting lettermen returning next year.

The returning men are Hart Polk, Donny Slade and Lloyd Sanders. They will be assisted by reserve players John Rouanzion, Jack Redford, Andy Wulf, Bruce Smith, Larry Gomez, Howard Akin and Larry Batty.

Polk, Slade and Sanders combined for 37 points in helping the Rams win their finale against Modesto, but they needed a fall away jump shot and back to back free-throws by Bobby Lee and a pair of free throws by Ken Delpit in the last 27 seconds of the game to clinch the victory.

Modesto took an early lead and did not give it up until White hit on a jump shot to break the score at 26-all and give the Rams the lead with 7:03 remaining in the first half. The FCC cagers left the court at halftime leading 50 to 40.

The second half was a pressure one for the Rams since White and Polk were banished from the game via the foul route. But under the leadership of Lee the Rams were able to hold off the uprising Pirates and win the contest 80 to 77.

Cindermen To Enter LB Relays

The Fresno City College track team will travel to Long Beach Saturday to participate in the Long Beach State College Relays beginning at 1 PM in the LBS Stadium.

Coaches Erwin Ginsburg and Bob Fries will be looking for a repeat performance of last week-end's big win in the UCLA Frosh opener. The Rams won 74 to 65 on the Westwood campus.

The Rams took first in eight events, with several surprises cropping up during the wind-blown meet.

Ervin Hunt, 6 foot 2 inch freshman from Edison High School, was a double winner. He won the 120-yard high hurdles in 14.7 and the triple jump with a jump of 47 feet, 1 1/4 inches. Teammate Delbert Thompson took first in the long jump with a distance of 23 feet 4 1/4 inches.

The biggest surprise of the meet was the outstanding running of freshman Sam Davis, who beat veteran sprinter Alvin Mann in the 100 yard dash in 9.6 seconds.

Leading the sweep in the discus event was Scott Glaspey with a toss of 154 feet 4 1/2 inches. He was followed by Havis Nelson and Gary Rossi as they reached 153 feet 5 1/2 inches and 142 feet 8 inches, respectively.

The results of the FCC-UCLA frosh encounter:

440 relay—1st, Thompson, Scotia, Davis, Mann, FCC; 2nd, UCLA.

Pole Vault—1st, Lewis, FCC, 12-0; 2nd, Evans, UCLA, 11-6.

Discus—1st, Glaspey, FCC, 154-4 1/2; 2nd, Nelson, FCC, 153-5 1/2; 3rd, Rossi, FCC, 142-8.

Long Jump—1st, D. Thompson, FCC, 23-43 1/4; 2nd, Davis, FCC, 23-2; 3rd, H. Thompson, FCC, 21-3 1/4.

High Jump—1st, Fisher, UCLA, 6-; 2nd, Ross, UCLA, 6-2; 3rd, Hund, FCC, 6-0. (meet record)

FCC Swimmers Eye Upset Over San Jose

By LOUIS BELL

Fresno City College swimmers will be out for an upset win Saturday when they face San Jose City College at 10 AM in the Ram pool.

Coach Gene Stephens has rated FCC a slight underdog in this match mainly on the basis that San Jose has been a perennial power house in the Golden Valley Conference.

"However," Stephens added, "we have some strong individual swimmers on our team who could do

very well in this meet. I think it's going to be an excellent meet."

Among the Ram tankers who Stephens cited as potential standouts was Terry Heller, 50 and 100 yard freestyle; Rod Latham, breaststroke; Ken Yegan, middle distance sprints, and Bob McAlister, diver.

Stephens predicted the 400 freestyle relay team composed of Jay Huneke, Yegan, Blair Looney, and Gary Martin could also do well.

The Rams will begin competition in the Valley Conference race March 11 when they travel to Stockton for a meet against San Joaquin Delta College in the Mustangs' pool.

The Ram natators brought their early season record to a 2-0-1 rating last Friday when they paddled past Glendale College, 57-37, and tied Bakersfield College, 62-all, in a triangular meet held in the Bakersfield pool.
