

# Students Will Set Spirit At Roundup

ROUNDUP TIME — Jeff Maloney, left and Ed Reid, right, may finally convince Claudia Helm, Colelee Bardridge, Cecil Weaver and Linda Harmon, left to right, of the good time they will have if they attend the Ramburger Roundup Sept. 29. The music will be provided by the Slippery Rock String Band. Reid is the general chairman of the event.

## Simple Relaxation

# Lounge Will Function As FCC Recreational Facility

Preparations have begun for the reopening of the Student Lounge, an on-campus recreation facility for Fresno City College students. Located in the Student Center

next to the Bookstore, the air-conditioned lounge will offer many activities. During the proposed hours of 8 AM to 5 PM provisions will be made for table tennis,

chess, checkers, and card games in addition to facilities for simple lounging and relaxation.

"A setback in completion of the new bungalows at the northwest end of the campus has delayed the opening of the lounge until the early part of October," stated Miss Doris Deakins, dean of women.

### Color Scheme

Miss Deakins also told of some changes to be made in the scheme of the lounge before its opening this semester.

"It is planned that a hostess will be hired to preside over the activities in the lounge," Miss Deakins said. "She will see to such things as conducting the various chess, checker and card tournaments. This convenience will be new to the campus."

"Another new feature," continued Miss Deakins, "will be a poster room in the lounge for the use of the entire student body. It will have complete facilities for the making and hanging of posters."

### Information Center

She said a student information center may be established to help all students too.

"The lounge will also be sporting new decorations for its opening in October," she said. "New lamp fixtures, including chandeliers, will be added to the lounge's present decor of green, gold and yellow."

Some of the Student Lounge activities will include various speakers and assemblies.

### Art Work

The FCC Art Department hopes to display some students' art work in the lounge.

By creating a place for students  
(Continued on Page 4)

By BEV KENNEDY

In an effort to raise spirit for the first home football game, FCC presents the Ramburger Roundup.

A picnic dinner will be served by the faculty and the clubs will provide orientation for students. Entertainment will also be provided.

The Roundup is scheduled for Sept. 29 from 5 to 7:30 PM on the lawn between the Administration Building and McLane Hall.

Terry Corbett, food chairman, said the menu will include Ram-burgers, potato salad, beans, ice cream and soft drinks.

### Slippery Band

Entertainment will be provided by the Slippery Rock String Band, a group that has played in the Purple Onion and several other coffee houses in San Francisco.

The group, who perform Blue-grass style, have also made concert appearance at the College of

San Mateo, the San Francisco Folk Festival and the Berkeley Folk Festival.

After the entertainment, students will march enmasse to Ratcliffe Stadium for the football game, against Spokane Community College.

### Awards

Miss Corbett said the clubs will construct booths and a trophy will be awarded for the best one.

Ed Reid is general chairman for Ramburger Roundup. Other chairmen are Judy Kramer, booths; Jim Shaver, facilities; Jim Johnstone, entertainment; Terry Starr, tickets; Aglaia Panos, personnel; and Miss Corbett, food.

Tickets, 25 cents for students and 50 cents for guests, may be purchased in the foyer of the cafeteria or at the information desk between the Administration Building and McLane Hall.

# Brietigam Encourages Student Participation

With the main goal of creating a new feeling among students toward school, Chuck Brietigam, student body president begins his fall term of office.

Brietigam said he wants to provide more activities for everyone. "I want to get each student moving so he will be a participator instead of an onlooker."

### Lounge Improvements

Included in his plans are the installation of pool tables and the presentation of guest speakers in the Student Lounge.

To keep the lounge fresh, Brietigam hopes to display art work done by FCC students, each semester. "In this way I hope to keep the lounge new looking and attractive for returning students," he said.

The cost for these activities and projects would be paid by the money collected through the purchasing of student body cards. This, in turn, would enable the card holder free admission to the events.

### Social vs Academic

With all the emphasis on social activities, it would seem the academic divisions would take a back seat to social activities, but Brietigam feels that "the academic speaks for itself."

"We wouldn't be at FCC if it weren't for an academic reason. I feel it is my job to make the student's life outside the classroom more enjoyable and to lead the

student body as a functioning single unit."

Brietigam's office is located in Student Center 255. He said, "My door is always open. If you have suggestions, complaints, questions or just want to become acquainted, come in and talk to me."

Suggestion boxes are also distributed throughout the campus. Brietigam urges their use and maintains that all valid material will not be taken for granted.

"We are here to serve the student," he said.

# College Extends Withdrawal Date To November 10

An honorable class withdrawal with no penalty may be secured up until Nov. 10, stressed Joe Kelly, dean of admissions and records.

"This date has been extended from last year," Kelly said, "to give students a fair chance to drop a class if they want to."

Students wishing to drop a class should go to Administration 118 and secure a change of program card. After completing this form students should obtain their counselor's signature and take the card to the Admissions Office.

Kelly said the secretaries in the Admissions Office will notify the instructor about the student's program change and the student need no longer attend that class.

Between the November deadline and the 15th week of school, the student must have a grade of D or better if he wishes to withdraw without failure.

A student who drops a class after the 15th week will receive a W if making a C or better in the class and a WF if making a D or an F.

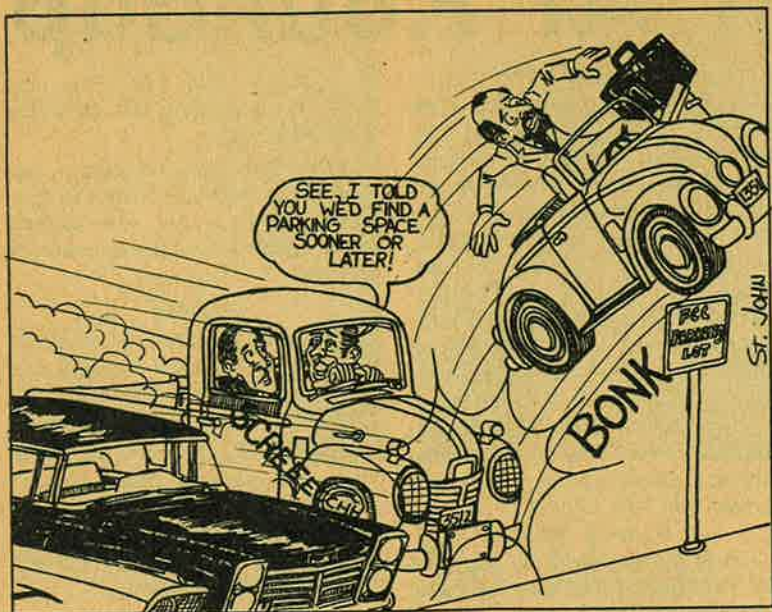

# Rampage Will Circulate Today

The Rampage will be circulated each Thursday noon at many locations on the Fresno City College campus.

Nellie Bonilla, editor-in-chief, said that the newspaper is free to all students and faculty members.

The Rampage is financed mainly by the student body card fees, through appropriations of the student council and through advertisement.

## Advisory Group

# Council, Rampage To Form Committee

The Student Council nominated four of its members Tuesday to serve on a newly organized publications advisory committee along with three Rampage editors.

Mary Young, commissioner of publicity, will serve as chairman of the committee. Since she is on both the Rampage staff and the Student Council, she will act as a neutral moderator.

Other council members are Ed Reid, treasurer; and Bill Miller and Aglaia Panos, representatives.

The Rampage main committee members will be Nellie Bonilla, editor-in-chief; Rita Johnson, managing editor; and Bev Kennedy, feature editor. However, the Rampage positions will be rotated among various editors.

Also serving on the committee will be the president of Inter-Club Council and one student who is not on the Student Council or Rampage from each of the five educational divisions.

This will not only enable the Student Council to make suggestions but also the student body in general.

The committee is a result of several misunderstandings between Student Council and the Rampage. We hope that through this committee we can settle some of our differences for the benefit of the students.

The main interest will be to serve the student body through better news coverage on campus.

## Policies

# Newspaper Urges Letters To The Editor

The Rampage wishes to encourage its readers to submit letters to the editor. However, we feel that the students should know our policies concerning these letters.

All letters submitted by a student or faculty member must be signed by the person. He should also give his student body number, address, year in college and whether he is a day or night student. No fictitious names will be used.

Since the editor is responsible for what goes into the newspaper, she is equally responsible for the letters to the editor. They must meet ethical standards. We will not print libelous letters just as we would not print libelous news stories.

For example, if a letter is critical of an individual or group the editors will contact the individual or group to get its answer before publishing the letter.

The Rampage always has much more copy than it has room for, so therefore short letters have a better chance of getting published. Because of limited space, the editor has a right to cut any letter or not run it at all.

Nellie Bonilla  
Editor-in-Chief

# Can Students Save Money By Going To Junior College? Kelly Says, 'Yes'

Books, tuition and incidental fees are but a few problems facing college students each fall.

The depletion of the student's bank balance has posed the question whether it is more economical to attend a junior college than a four-year college or university.

Joe Kelly, dean of admissions and records, said the advantages of attending a junior college were the lower expenses, lower enrollment and a better student-teacher relationship.

A California student attending

FCC spends \$10.15 each semester for a student body card plus mailing expenses.

In comparison, a resident student attending the University of San Francisco spends an average of \$300 for tuition and \$30 for fees per semester.

On the University of California campus at Berkeley resident students have no tuition but must pay \$90 per semester for incidental fees.

Alvin Perkins, FCC director of guidance, said even though some

## A Yank In England

# Hendrickson Returns After Teaching In Great Britain

"Hey, Mum, the bleedin' Yank that taught us history is going back to the States."

The blighter in question is David H. Hendrickson, a geography and history instructor at FCC. Last year Hendrickson taught regional and economic geography at a boys' grammar school in Manchester, England. His pupils were 18 and 19 years of age.

"British grammar schools," Hendrickson said, "are quite different from ours. Only a small percentage of students go on to higher education. They are separated at age 11 and the brighter pupils continue their education and qualify for a university."

### Formality

"Another British trait is the wearing of uniforms to school. There is a more formal relationship between the student and the master who is always addressed as 'sir.' I was known as 'the Yank'."

Hendrickson, his wife and two pre-high school daughters traveled by ocean liner to Britain in September of 1966.

"We lived in a nine room century-old house in the suburbs of Manchester and paid only \$28 per week," he said.

### No Supermarkets

"The house and furniture were extremely old and antiqueish and were in excellent condition."

"The only housekeeping problem we encountered was the shopping. There are no supermarkets in England, and my wife had to

shop at two or three different stores just for groceries."

The Hendrickson family mixed business with pleasure during their stay in Europe.

DAVID H. HENDRICKSON

# Hemlines, Hair Lengths: The Sexes Battle It Out

By ANDREA FISH

Hemlines continue to go up and hairlines continue to go down despite controversy at FCC.

The current and rising minority of male students with flowing tresses and girls in mini-skirts has become not only a disturbing phenomenon, but one with rather unique reactions.

While groping for the logic behind the "hair," I was informed by one of "them" that this particular movement is quite valid, even from a scientific standpoint.

"It is merely a natural law going into effect," he said. "The human population is simply last to evolve in the ancient animal trait of having the male the most decorative. Take for example the feathered kingdom."

Myself? I see courage in individuals such as Jim Chappel, who commented, "While it is up to the individual, I consider real long hair as a representation of femin-

inity," and Dan Willison said, "Frankly, I don't like it. I've always associated long hair with girls. I think it's feminine."

"I think boys should look like boys," said Betty Benov. "To me, a boy with long hair looks like a girl."

Miss Doris Deakins, dean of women, said, "Yes, I think long hair is certainly somewhat feminine."

John Toomasian, basketball coach and history teacher, said, "I've often felt that femininity could be reflected in what I call the '3 H's': long hair, heels and hose. When men start wearing heels and hose, they too might look beautiful."

Sue Gray, a freshman, summed up the prevailing feminine attitude toward mini-skirts when she said, "Girls who don't have a slender figure should definitely stay away from the mini-skirt."

The variety of opinions expressed by the men was surprising.

Alan Shapazian maintains that the mini-skirt lacks dignity. "You can often tell the good girls from the bad. Her dress length will give her away," he said.

Ed Reid commented that mini-skirts "are possibly being used as a method of rebelling against present dress codes." He added that the attire may be attractive and allow the girl a true sense of individuality.

# Lounge Will Ease Crowds

(Continued from Page 1)

to relax, the administration hopes to ease the crowded situation in the campus Cafeteria and Coffee Shop.

A singular advantage of the lounge is that it will be the only place on campus where card playing will be allowed. Last year card playing in the Cafeteria created such a congestion that it had to be discontinued.

### Conduct

The rules of conduct for the lounge, created by the Student Council themselves, are posted in the lounge. They are basic in nature and in keeping with the relaxed atmosphere of the lounge. Students are especially cautioned about keeping food and drinks in the proper area of the lounge. Last year the carpeting was badly stained by spills.

In addition to planned activities for the lounge, it will also be available for use by clubs and campus organizations for teas, receptions and the like. Arrangements may be made with Miss Deakins, Administration 118, to reserve the lounge for these activities.

# McCully Is New FCC President

Fresno City College has a new president this semester; Clyde C. McCully, 41, formerly dean of instruction at Antelope Valley College in Lancaster, Cal.

McCully was appointed last May to succeed Archie Bradshaw.

McCully received a bachelor of arts degree from Stetson University in Deland, Fla. and a master of arts degree in language arts from Los Angeles State College.

He is currently completing his dissertation for a doctor of education degree from the University of California at Los Angeles.

He expects the dissertation to be accepted sometime this quarter, he said.

McCully holds general elementary and general secondary teaching credentials and a general administration credential.

He taught grades six, seven and eight and served as a vice-principal in the Lancaster school system.

In 1957 he became an English instructor and assistant dean of instruction at Antelope Valley College.

He was dean of instruction there from 1958 until his appointment as president of FCC.

McCully is married and has three sons aged 14, 11, and 6 and a daughter 8 years old.

During World War II he served as a landing boat operator in the Coast Guard. He participated in the invasions of Normandy, Southern France, Okinawa and Iwo Jima.

He holds the rank of lieutenant (j.g.) in the inactive reserve.

McCully was appointed president from a field of 29 applicants for the position.

The applicants were screened by a seven-man committee of FCC and State Center Junior College District faculty and administrators.

McCully is FCC's second president since the formation of the State Center Junior College District.

His predecessor, Archie Bradshaw, held the position from July 1, 1964 until last June.

Among his professional activities, McCully has twice served on accreditation teams evaluating junior colleges.

He was secretary-treasurer of the Central California Junior College Association during 1961-62.

He belongs to several national educational societies including the Society for the Advancement of Education and Phi Delta Kappa, a professional educational fraternity.

Mr. and Mrs. Bradshaw are now living in Laguna Hills in a village for retired persons. They plan a trip around the world next spring or summer.

He was a member of the FCC faculty since 1948.

C. CLYDE McCULLY

## Student Enrollment Increase Causes Parking Violations

Increased enrollment has caused parking violations. Violators have been parking their cars in the faculty zones.

"If this continues, the FCC Police Patrol will be called in to issue citations," stated Earl Pugsley, police science instructor.

Pugsley also said there has been little speeding because of the crowded conditions.

All cars parked on campus must be registered by Sept. 29. Vehicle registration applications can be picked up in the foyer of the Gymnasium, Administration Building,

# Ramburger Fun FCC Ramburger Roundup Initiates College Enthusiasm With Students

By JESSE CHAMBERS

An all new feature will be added to the annual Ramburger Roundup Sept. 29, portable barbeques owned by Fresno City College.

Previously barbeques were borrowed from other city schools.

Carl Rustigian, Associated Men Students adviser, said that the AMS had been working with the welding classes so that FCC can boast possession of its own barbeques.

Alpha Epsilon, the law enforce-

ment fraternity, was recently informed by the Grand Chapter of LAE in Sacramento that its 55-member organization is the largest in the nation.

"We went from room to room in the police science division, explaining our club's purpose and asking students to join," chapter president Glenn Carter said, in explaining the increase in membership.

Current plans for the chapter include hosting a section meeting of LAE chapters in the western United States, selection of a homecoming queen candidate and contributing to the betterment of school spirit.

**Delta Psi Omega**

David Pylman and Patricia Howe were initiated Monday to membership in Delta Psi Omega, the campus drama society. The initiation was conducted for students unable to attend a spring semester initiation.

Officers for the fall semester met August 7 at the home of their adviser, Fredrick Johnson.

Under the direction of president Janet Morris an agenda was formulated for the fall.

**Phi Beta Lambda**

Approximately 25 students attended the Sept. 13 noon meeting of Phi Beta Lambda, a business fraternity.

The get-acquainted meeting was directed by current president Ed Reid. Plans were discussed for Homecoming, Ramburger Roundup and the election of club officers.

Any student who is enrolling in, or has taken three units of business is invited to attend the club meetings each Wednesday noon in Cafeteria Conference Room A.

**DECA**

Distributive Education Clubs of America will be observing National DECA week November 5-11.

Dr. Gilbert Peart, sponsor for the FCC chapter, said this is just one of the many events the organization will observe.

Other endeavors for the club will include the hosting of a state leadership conference and state meeting of officers and a Seventh Annual Employees-Employers Breakfast.

Students who are interested in marketing and in club work should contact Dr. Peart in Administration 121.

**Rally**

Members of the Rally Club are currently organizing a rooters bus for students wishing to attend the Bakersfield-FCC football game Saturday.

"We really didn't realize the importance of the game until the last minute," said Miss Claudia Larson, group sponsor.

"Currently we are also busy filling vacant positions in the cheerleader and pep girl lineups."

**Inter Club Council**

Inter Club Council, the organizational core for all campus clubs, will hold its first meeting of the year, at noon today in the Student Council Chambers of the Student Center. Everyone is invited to attend.

## Buses Slate New Schedules For Transportation For Outlying Areas

Three additional bus runs have been scheduled to transport students in outlying areas to and from school this year.

The buses have been running since Sept. 11, the opening day of school. Buses, station wagons, and carry-alls serve as transportation.

All buses leave Fresno City College at 5 PM on the return trips.

The bus schedule is as follows:

The Sanger area bus 98 will leave the Snow White Drivein at 6:45 AM, Academy and Adams Avenues at 7:00 AM, Fowler at 7:10 AM, Malaga General Store at 7:15 AM and Chestnut and Tulare at 7:25 AM. It arrives at FCC at 7:45 AM.

The Madera area bus 19 leaves Mary's Cafe at 6:30 AM, Parkwood at 6:35 AM, County Yard at 6:40 AM, Ripperdam at 6:45 AM, Vineland Store at 6:50 AM, Kerman at 7 AM and Central High School at 7:10 AM. It arrives at FCC at 7:35 AM.

The Chowchilla area bus 18 leaves the service station at 6:30 AM, Califa Overpass at 6:40 AM, Berenda at 6:50 AM and North Madera at 7 AM. It arrives at FCC at 7:30 AM.

Bus 178 for the Bass Lake area leaves The Pines at 6 AM, Yosemite Forks at 6:20 AM, Oakhurst at 6:30 AM and Coarsegold at 6:40 AM. It arrives at FCC at 7:45 AM.

Bus 185 for the Ahwahnee area leaves Ahwahnee at 6:10 AM, Oakhurst at 6:30 AM and Coarsegold at 6:40 AM. It arrives at FCC at 7:35 AM.

Bus 174 for the South Fork area leaves South Fork at 6:20 AM, O'Neals at 7 AM. It arrives at FCC at 7:40 AM.

Bus 177 for the O'Neal's area leaves Road 200 at 6:25 AM, O'Neals at 6:35 AM. It arrives at FCC at 7:40 AM.

Bus 176 for the Meadow Lakes area leaves Meadow Lakes at 6:20 AM and Auberry at 6:50 AM. It arrives at FCC at 7:45 AM.

Bus 175 for the North Fork area leaves North Fork at 6:20 AM and O'Neals at 7 AM. It arrives at FCC at 7:40 AM.

Bus 187 for the Auberry area leaves New Auberry at 6:40 AM, Marshall Station at 6:55 AM and Friant at 7:15 AM. It arrives at FCC at 7:45 AM.

Bus 189 for the North Fork area leaves North Fork at 6:20 AM, O'Neals at 7 AM and Four Corners at 7:25 AM. It arrives at FCC at 7:45 AM.

The carry-alls and station wagons are filled, although room is still available on three buses. Those interested should contact Paul Starr, FCC dean of special services, in Administration 104, as soon as possible.

## News Correspondent Seeks College Information For Newspaper Column

Clubs or organizations wishing to place news stories in The Fresno Bee must submit them on the Monday or Tuesday before the Sunday they will appear in, said Kathy Pearce, Bee correspondent.

News items should be placed in the Rampage office, Student Center 211 and in the Public Information Office, Student Center 218.

The column appears each Sunday in the Woman's Section of The Fresno Bee. It is mainly concerned with future FCC activities.

Miss Pearce is a sophomore journalism major at FCC and a graduate of Washington Union High School.

She wrote the column last year for The Bee and worked full-time as a reporter on The Fresno Bee this summer.

The column is mainly concerned of student activities of campus clubs and other organizations. Publicity chairmans could contact Miss Pearce by telephoning the Womens' Department of the Fresno Bee.

## Student Parley Council Sponsors Recreation Action

The student council, as explained by student body president, Chuck Brietigam, is a body created of, by, but most of all, for the students.

Brietigam said that the council this year will do their best to cater to the wants and needs of the students.

A recreation night sponsored

CHUCK BRIETIGAM

by the council is being held every Monday night at 7 in the Gymnasium.

Brietigam invites all students and faculty to participate in one or more of the sports. Offered is basketball, badminton, volleyball, gymnastics and weightlifting.

The Student Lounge, he said, will be open for students use by the first of October. The lounge is located on the ground floor of the Student Center.

Council meets at noon on Tues-

days in Student Center 205. Meetings are open to the student body.

"In order for the student body to make known what they want," Brietigam said, "they must come to the meetings and have a voice in their student government."

The Student Council includes Brietigam, president; Jim Shaver, vice president; Edward Reid, treasurer; and Jane Hill, secretary. The offices of social justice and chief justice are still open.

Representatives at large are Jim Johnstone, Terry Starr, William Miller, Jim Badger, Judy Kramer, Pat Howe, Jesse Chambers, Vonnice Smyth, Rick Patton, Aglaia Panos, Floyd Mahon, Jerry Martin and Rose Attoian.

Five commissioners were appointed by Brietigam this semester. They are Gary Carroza, social affairs commissioner; John Martin, athletics; Jeff Maloney, election; David Pylman, conferences; and Mary Young, publicity. The commissionerships of oral arts, scholarships and student welfare and international relations still are vacant.

Miss Doris Deakins, the dean of women, and psychology instructor Kenneth C. Clark are faculty advisers to Student Council.

The offices of the Student Council are on the second floor of the Student Center. The Student Council also has a poster room in this location.

Clark's office is in the same area, as is the office of the soon to be elected Student Lounge hostess.

Miss Deakins' office is in Administration 128. She is responsible for the student activities calendar.

## Footballers To Meet Bakersfield Renegades

Ram footballers will renew an old rivalry Saturday night when they play the Bakersfield College Renegades in Bakersfield.

It is the first time the teams have met since 1955. Kickoff time is 8 P.M.

"Bakersfield could be very strong," FCC Coach Clare Slaughter said. "They have 18 returning lettermen, including Willie Mills, a 9.6 sprinter."

**Offensive Standouts**

Slaughter named Ron Olson, quarterback, and backs Stan Bauer and Willie Cox as potential offensive standouts.

Steve Natsues and Bob Mosman were tabbed as defensive stalwarts.

Last Saturday night the Rams picked up their first win of the season with a 15-3 win over the Diablo Valley Vikings in Lafayette.

It was the twelfth time in the last 20 years the Rams have won their season opener.

**Strong Defense**

The Ram defensive line dis-

played their prowess by limiting the Vikings to 14 yards rushing.

At half time the Rams commanded an 8-0 lead scoring a touchdown in the first two minutes of the game on a 30-yard pass from Olson to split end Natsues.

Guard Jack Green scored a safety in the second quarter.

Diablo came back with a vengeance scoring twice in the third quarter and taking a 13-8 lead.

**Last Minute Victory**

With six minutes left in the third quarter the Rams got the ball on their 40-yard line and ripped off nine plays to score on Stan Bauer's three-yard blast.

Jack Burdick converted to make the score 15-13.

Both teams were held scoreless in the fourth quarter as the defensive squads held the line.

Fresno	6	2	7	0-15
Diablo Valley	0	0	13	0-13

Fresno-Natsues 30 pass from Olson (kick wide)

Fresno-Safety (Green)

Diablo Valley-Harris 42 pass from Aitken (pass failed)

Diablo Valley-Harris 4 pass from Aitken (eidson kick)

Fresno-Bauer 3 run (Burdick kick).

## Swimmers To Conquest FSC Squad

The Fresno City College water polo team meets the Fresno State College junior varsity in their second match of the season today at 4 P.M. here.

This follows on the heels of a 21-12 loss to Bakersfield College here last Tuesday.

"We need to gain a little more game experience," Gene Stephens, water polo coach, said. "Our scores should improve after playing a few more games."

Scott Holmes and Jim Wright were the high scorers for the Rams Tuesday.

The FCC poloists will be at the Cabrillo tournament in Aptos tomorrow and Saturday.

Included on Coach Stephen's team are four returning letter winners: Scott Holmes, Doug Arme, Chris Murray and John Higginbotham.

Others from the previous season include Don Denny, Roger Stromberg, Eldon Rice, John Frost, Doug Fluter and Greg Puma.

## FCC Rams Slate First Dual Meet

The Fresno City College cross-country team coming off a second place finish last Saturday in a three way meet with Diablo Valley and Laney College, will travel to Bakersfield Saturday for a meet with Bakersfield College.

The meet is scheduled to begin at 4:30, and will be run over a 3.3 mile course on Bakersfield's Heart Memorial Park.

FCC Cross-Country Coach, Bob Fries said the upcoming meet would be the first dual meet with Bakersfield in FCC's history.

"We have met Bakersfield before," Fries said, "but it has always been in tournament competition."

FCC's Andy Hansen and Paul Konon, who are the co-captains of the team are expected to lead the other team members in the meet with BC.

In the three way meet with Diablo Valley and Laney College, Hansen placed first and broke the

course record of 18:32 by 16 seconds.

Fries said Hansen made an outstanding showing on the hilly course by starting the race out in front and holding on despite some stiff competition. He won the race by 14 seconds over Laney's Rivera.

"The strongest competition in the Valley Conference this year," Fries said, "will be Sacramento City College, American River College and Modesto Junior College."

Fries said he expected to take the whole team to the Saturday meet, to find out who would be the top seven competition runners for future meets.

FCC standouts from last season were Stan Bauer, starting fullback who led the team in 1966 with 44 points, and Willie Cox, a sophomore who averaged 4.1 yards per carry in nine games last year.

Top ten finishers:  
1. Andy Hansen, CC; 2. Frank Rivera, Laney; 3. Ralph Patten, DV; 4. Raul Perez, Laney; 5. Tom Varela, Laney; 6. Kermit Sweetwine, Laney; 7. Curt Schroers, DV; 8. Bill Camp, CC; 9. Mike Corcoran, CC; 10. Tony Gomes, CC.

## Rivalry Renewed

### Rally Club Sponsors Ride To Bakersfield

Approximately 400 tickets have been reserved for rooters planning to attend the FCC-Bakersfield College football game at Bakersfield at 8 P.M. Saturday.

The Rally Club has chartered a 41 passenger bus to take rooters at \$1 per person. Deadline for signing up was yesterday. The bus will leave from the front of the Administration Building at 5 P.M.

"This is the first game we have played Bakersfield since 1955," Hans Wiedenhofer, director of athletics, said.

"Until now we have had a lot of trouble fitting our schedule in with Bakersfield. They only have a few open dates in which to play an outside school like us," he said.

"Our strength this year is in our experience," he said. "Our front line is basically the same this year as last except they have gained a great deal of skill."

Wiedenhofer added that FCC has never carried on a high powered recruiting program for players such as Bakersfield has.

Merle Martin, dean of students, said that Bakersfield College students have always shown tremendous interest in their football teams.

"Stadium officials at Bakersfield are expecting an 18,000 seat sell-

out," he said. "Bakersfield college averages a higher game attendance than any other junior college in the country."

"We want to play them next year in Fresno and expect several thousand of their rooters."

## Speaking On Sports

### Conference Changes Affect Bowl Games

This year will see the end of JC bowl games. Champions in each of the 10 conferences will enter playoffs in two divisions to decide state champions (large and small colleges).

Eliminations start Thanksgiving Day. Should Fresno win the Valley Conference they will play the champions of the Golden Gate Conference in the first match of the large college division.

**Golden Gate Champ**

City College of San Francisco is the defending champion of the Golden Gate Conference.

Laney College is the favorite to capture the state title. They have never lost a game in their two year existence and last year were tabbed as the top JC team in America . . .

**Athletic Broadcasts**

For those of you who are stuck with the books and can't attend Ram football games all the contests (excluding Spokane and American River) will be broadcast on radio station KMJ.

The city of Fremont opened a JC this year and will field a team this year, they won't play in a league however . . .

**League Switching**

Several California JC teams have switched conferences this year. Seems they didn't like the competition . . .

ley Conference they will play the champions of the Golden Gate Conference in the first match of the large college division.

**Golden Gate Champ**

City College of San Francisco is the defending champion of the Golden Gate Conference.

Laney College is the favorite to capture the state title. They have never lost a game in their two year existence and last year were tabbed as the top JC team in America . . .
