## “Do you feel safe at FCC?”

Compiled by Joel Arellano and Juan Muratalla

Alyson Coronado

Dual enrollment student

“We were in our design science classroom, and there was this man that was like, staring at our window, trying to tap on it to get in or something. I still don’t really worry because I’m with friends,” Coronado said.

Maria Roland

Early child development Major

“Usually, my classes are in the morning or afternoon, so I feel safe at that time,” Roland said. “I’m not sure about during the afternoon, hours or later I might, since I don’t have classes later on”

Kathryn Davis

English Major

“I feel like FCC is definitely a safe space for me, because I know that if I have any safety concerns, I can go to staff, campus police and any other student, and I’d be perfectly fine on campus,” Davis said.

Damon Rodriguez

Undecided Major

“The whole place just feels amazing to be at. It feels like kind of place you should be. This is, just a good place,” Rodriguez said
